

Goffstown Public Library Policy for Emergency Closings

In order to provide the best service, libraries are open for scheduled service whenever possible. The Library is, however, concerned about the safety of its employees and patrons. During extreme weather situations or community emergencies, the Director or designee may close the Goffstown Public Library at their discretion. If such an event occurs, the Director or designee will inform the Library Board of Trustees of the decision.

The Director or designee will also inform local radio and television stations of the closing.
